

**“Launching the European  
innovators onto the market”**

[www.irsus.eu](http://www.irsus.eu)

## Applications Open

From the 3<sup>rd</sup> to the 19<sup>th</sup> of December - 2018

Any SME, start-up, research organisation or university appearing in the Innovation Radar tool by the European Commission can apply. Organisations not listed in the Innovation Radar are not eligible. When you fill in the form (the QR code) our team will evaluate your application and provide you an answer for the selection.
